**ORDER**

M/s Raheja Hydel Power Pvt. Ltd., a company incorporated under the Companies Act, 1956, having its registered office at B-27-A, Sushant Lok-1, Gurgaon (Haryana) and operating Small Hydro Electric Power Project in District Kangra, Himachal Pradesh, has moved this petition seeking directions of this Commission to the HP State Electricity Board Ltd (hereinafter referred as "the Respondent Board") to work out the cost of the O&M for Inter-connection facilities, as per the provisions of the Agreement for Execution Operation and Maintenance of Inter-connection Facilities, entered into by it with the respondent Board on 30.11.2010.

2. The respondent Board has objected the admission of this petition on the ground that the grievance of the petitioner has already been attended to and the petitioner has not raised any dispute so far. The respondent Board further undertakes that as and when the petitioner raises any dispute the efforts will be made to sort out the difference. It has also been urged that the petition being premature, should not be entertained.

3. In view of the above submissions of the Board, the Commission declines to admit this petition, with the directions to the parties to resort to the dispute resolution mechanism as provided in the Agreement itself.
