

HIMACHAL PRADESH ELECTRICITY REGULATORY COMMISSION  
Keonthal Commercial Complex, Khalini, Shimla-171002

In pursuance of sub-section (1) (b) of Section 4 of the Right to Information act, 2005 (22 of 2005), the Himachal Pradesh Electricity Regulatory Commission hereby provides the information regarding the records and other activities of the Commission: -

**1.0 Particulars of Organization, functions and duties**

**1.1 Organization**

The Himachal Pradesh Electricity Regulation Commission was constituted by the Government of Himachal Pradesh vide Notification No.: PP-A (7)-1/2000 dated 30.12.2000 under the Electricity Regulatory Commissions Act, 1998 (14 of 1998) and has been functioning since 6<sup>th</sup> January, 2001 with its headquarter at Shimla. It is presently a One Member Commission headed by the Chairman of the Commission.

**1.2 Functions and Duties of the Commission**

The Electricity Act repealed the ERC Act, 1998, 2003, which came into force on 10.06.2003. The functions of the State Commission have been provided for in Section 86 of the new Act, which read as follows:

- (1) The State Commission is discharging the following functions, namely: -
  - (a) determine the tariff for generation, supply, transmission and wheeling of electricity, wholesale, bulk or retail, as the case may be, within the State:
  - (b) regulate electricity purchase and procurement process of distribution licensees including the price at which electricity shall be procured from the

generating companies or licensees or from other sources through agreements for purchase of power for distribution and supply within the State;

- (c) facilitate intra-State transmission and wheeling of electricity;
  - (d) issue licences to persons seeking to act as transmission licensees, distribution licensees and electricity traders with respect to their operations within the State;
  - (e) promote cogeneration and generation of electricity from renewable sources of energy by providing suitable measures for connectivity with the grid and sale of electricity to any person and also specify for purchase of electricity from such sources, a percentage of the total consumption of electricity in the area of a distribution licensee;
  - (f) adjudicate upon the disputes between the licensees and generating companies and to refer any dispute for arbitration;
  - (g) levy fee for the purposes of this Act;
  - (h) specify State Grid Code consistent with the Grid Code specified under clause (h) of sub-section (1) of section 79;
  - (i) specify or enforce standards with respect to quality, continuity and reliability of service by licensees;
  - (j) fix the trading margin in the inter-State trading of electricity, if considered, necessary;
  - (k) discharge such other functions as may be assigned to it under this Act.
- (2) The State Commission advises the State Government on all or any of the following matters, namely: -

- (i) promotion of competition, efficiency and economy in activities of the electricity industry;
  - (ii) promotion of investment in electricity industry;
  - (iii) reorganization and restructuring of electricity industry in the State;
  - (iv) matters concerning generation, transmission, distribution and trading of electricity or any other matter referred to the State Commission by that Government.
- (3) The State Commission ensures transparency while exercising its powers and discharging its functions.
- (4) In discharge of its functions, the State Commission guided by the National Electricity Policy, National Electricity Plan and Tariff Policy published under section 3 of the Act.

## **2.0 Powers and Duties of the Commission's Officers and Employees**

**2.1** The Commission has organized its working through three Divisions namely, Administration & Legal, Technical Analysis and Tariff & Finance Analysis, having duties and responsibilities as under:

### **2.1.1 Administration Financial & Legal Division**

This Division is responsible for financial, personnel & legal matters of the Commission. The Division provides support services to other Divisions and assists the Commission in coordinating its activities. This Division also has the responsibility for disseminating public information.

Also included in the Division is the Pay & Accounts Section. The Pay & Accounts section is responsible for cash handling and inventory management.

The Division is responsible for all personnel/administrative matters, Pay and Accounts, Budget, Annual Administration Reports, legal matters & court cases.

The Division is headed by the Secretary of the Commission.

### **2.1.2 Technical Analysis Division**

The Division of the Commission provides advice on questions of engineering, science, mathematics statistics and other technical elements of policy analysis. This division helps the Commission to understand and analyze the technical aspects of the evidence presented and assist it in writing and examining report and Commission's orders. Its specific tasks include preparing and reviewing of cost allocation and rate design proposals, analyzing and evaluating utility planning and operating decisions, reviewing plans and specifications of major utility construction projects, inspecting system improvement on site, analysis and assessment of T&D losses, monitoring utility reports, evaluating technical performance and reviewing performance indicators and standards of service. The division, examines, analyses and evaluates the Power Purchase and Procurement agreements. The Division reviews the performance and compliance reports as well as submission of major incidents by the utilities.

The Technical Division also supervises important segments such as Generation, Transmission, Distribution, Co-generation and Renewable, licensing, Open access and Trading. The Division also advises the Commission in respect of open access in distribution and transmission licensing, trading, elimination of cross subsidies, surcharges, load forecast, resource planning, power procurement, power purchase agreement, capital cost of hydro electric projects, co-generation and power from renewal and adjudications between various licensees and generating companies. The Division also looks after the work related to electricity traders in respect of transmission losses.

This Division also regulates electricity purchase and its distribution of supply within the State and suggests the mode of issuance of licenses to act as distribution licensees with respect to their area of operation in the State including preparation of regulations related thereto. This Division also analyzes all PPAs power purchase and procurement agreements and processes the same for the approval of Commission.

The Executive Director (Technical) who heads the Division reports directly to the Commission and also liaises, with his counterparts in the power sector in a manner consistent with the Commission's policy on external communication.

### **2.1.3 Tariff & Financial Analysis Division**

This division is responsible for all activities related to determination of tariff for generation, transmission and wheeling of electricity, wholesale, bulk or retail electricity and to conduct techno-economic and financial investigations of electrical utilities. The Division prepares testimony and other material relating to cost of capital, rate cost of capital, rate base, revenues, expenses, depreciation and tariff design including multi year tariff. This Division also assists in the preparation of questions for cross-examination, relating to the division, present direct testimony, and advice the Commission on financial and economic issues. It specifies the technical requirement, capital adequacy requirement and credit worthiness for the traders. This Division participates in all Commission proceeding such as review and approval of all investment and development of utilities including programmes, enforcement of commercial and financial standards, codes and procedures. The Division reviews the financial performance and compliance reports as well as submission of major incidents by utilities. The Division supervises the professional development of the staff.

The Tariff & Finance Analysis division is headed by the Executive Director (Tariff).

**2.2** The Commission has total sanctioned staff strength of 46. It has also engaged some technical consultants to assist the Commission in its functioning.

**3.0 Procedure followed in the decision making process, including channels of supervisions and accountability**

**3.1** The vertical reporting system is adopted by the officers and staff in discharge of their duties/work and the major decision-making is at the level of the Commission.

**3.2** The procedure adopted for holding the proceedings before the Commission is specified in Chapter-II of the Himachal Pradesh Electricity Regulatory Commission (Conduct of Business) Regulations, 2005.

**4.0 Norms set by it for the discharge of its functions**

No norms have been set up by the Commission for the discharge of its functions. The staff on rolls and the consultants appointed from time to time as per the Himachal Pradesh Electricity Regulatory Commission (Appointment of Consultants) Regulations, 2005 are assisting the Commission in discharge of the routine work.

**5.0 Rules, Regulations, instructions, manuals and records, held by it or under its control**

**5.1 Rules and Regulations**

**5.1.1** Section 181 of the Electricity Act, 2003 empowers the State Electricity Regulatory Commissions to make regulations consistent with this Act and rules made there under to carry out the provisions of the Act. The Rules as per Section 180 of the Act are required to be made by the State Government. The Electricity Regulatory Commissions Act, 1998 also had similar provisions.

**5.1.2** The regulations made till date by the Himachal Pradesh Electricity Regulatory Commission can be accessed at the Commission's website [www.hperc.org](http://www.hperc.org) under "Rules & Regulations".

### **5.1.3 Instructions, Manual and Records**

In addition to the above-mentioned regulations, HPERC has also notified the following Guidelines/Orders/Concept Papers to facilitate discharge of its functions:

1. Guidelines for load forecast, Resource Planning and Power Procurement Process.
2. Concept paper on reorganization and restructuring HPSEB.
3. Directions for the Approval of Hydro Electric Projects in the State of Himachal Pradesh, 2005.

## **6.0 A statement of the categories of the documents that are held by it or under its control:**

**6.1** The categories of the documents that are maintained by the Commission mainly relate to: -

- (i) the petitions filed by the various agencies and consumers on matters falling in the ambit of the functions assigned to the Commission and Orders issued thereof.
- (ii) matters on which the statutory advice to the State Government has been made under sub-section 2 of Section 86 of the Electricity Act, 2003,
- (iii) Investigation of the matters under Section 128 of the Act.

- (iv) Correspondence on appointment of consultants engaged by the Commission for providing assistance on determination of generation, transmission, Bulk and retail supply tariffs, various studies for HPSEB, preparation of regulations, legal and technical assistance etc.

**7.0 The particulars of any arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or administration thereof.**

**7.1** The Commission has appointed Sh. P. N. Bhardwaj, a retired Senior Engineer of HPSEB to represent the interest of the consumers in the proceedings before the Commission under the provisions of sub-section (3) of section 94 of the Electricity Act, 2003. In addition, the comments and suggestions on the draft regulations/guidelines framed by the Commission from time to time are also sought through advertisements in newspapers and prior gazette publication before finalizing these regulations/guidelines.

**8.0 A statement of the board, councils, committees and other bodies consisting of two or more persons constituted as its part of or for the purpose of its advice, and as to whether meetings of those boards, councils, committees and other bodies are open to the public, or the minutes of such meetings are accessible for public.**

**8.1** The ERC Act, 1998 provided for the establishment of the State Advisory Committee to advise the Commission on policy formulation, quality, continuity and extent of service provided by licensees, compliance by the licensees with the conditions and requirements of their license, protection of consumer interests and energy supply and overall standards of performance by utilities. The said committee was established by the Commission vide notification dated 28th February, 2001 and the Committee on enactment of the Electricity Act, 2003, was reconstituted under Section 87 of the Electricity Act, 2003 read with HPERC (State Advisory Committee) Regulation 2004, vide notification dated 11<sup>th</sup> August 2008 and 27<sup>th</sup> March, 2009 published in the gazette on 30<sup>th</sup> August 2008 and 28<sup>th</sup>

March, 2009 respectively except one member notified by the Commission 27<sup>th</sup> November 2009 duly published in the gazette on 7<sup>th</sup> December, 2009.

**8.2** The objects of the State Advisory Committee are, to advise the Commission on –

- (i) major questions of policy;
- (ii) matters relating to quality, continuity and extent of service provided by the licensees;
- (i) compliance by licensees with the conditions and requirements of their licence;
- (ii) protection of consumer interest; and
- (iii) electricity supply and overall standards of performance by utilities.
