Order
(Last heard on 11/03/2022)

Case called, both parties were heard. The Counsel for the Complainant informed that he is not going to file his rejoinder and instead argue his case. Further the counsel for the Complainant argued that there were similar issues with other tenants/ occupants of the building and his consumption for next six months is also same which was prior to the said jump in reading on 01/01/2021 and after that incident of high voltage, the Respondents changed his service wire also which was admitted by them in their reply at the Forum. During the course of hearing, the Counsel for the Respondents submitted a copy of the site report dated 30/01/2022.

The Respondents are directed to produce month wise consumption w.e. from June 2020 onwards till July 2021 for other occupants of the building as well as that of the Complainant on or before 20/04/2022. Further, they are also directed to produce energy charges without correction and after correction particularly for energy bill issued on January 2021. The Complainant may file his rejoinder, if any by 27/04/2022.

The case is listed for final arguments on 30/04/2022 at 12:00 PM or immediately thereafter.

Given under my hand and seal of this office.
