Present:-

Sh. Mandeep Singh, Chief Engineer (System Operation) for
the Joint Petitioner No. 1.

Mr. Ram Lal, Authorised Signatory for the Joint Petitioner No. 2.

ORDER

The present Joint Petition has been filed by the Himachal Pradesh State Electricity Board Ltd. (the Joint Petitioner No.1 or the HPSEBL for the short) and M/s Jai Maa Sitala Solar Power Project (the Joint Petitioner No. 2 for the short) for the approval of the Power

Purchase Agreement (PPA for short) under Section 86 (1) (b) of the Electricity Act, 2003 (Act for short) read with Regulations 50 & 50-A of the HPERC (Conduct of Business) Regulations, 2005, as amended from time to time, (CBR,2005 for short) in respect of Jai Maa Sitla Solar Power Project (500 kW).

2. The case of the Petitioners is that a Solar PV Project (500 kW) known as Jai Maa Sitla Solar Power Project, situated at Village Daryana, Post Office Auhar, Tehsil Ghumarwin, Distt. Bilaspur, H.P., (Project for short) is being setup pursuant to the approval accorded by the HIMURJA (HP Govt. Energy Development Agency) vide letter No. HIMURJA (F-7)/SPV Projects/ 2023- 11114 dated 12.10.2023 (Annexure-IV). As per the Joint Petition, the date of Completion/ Commissioning Schedule of the Project is 11.10.2024 as evident from Schedule-I, annexed to the Draft PPA.

3. It is averred that parties have signed the connection agreement on 22.02.2024 providing that the interconnection point shall be at existing 11 kV Kandrou-Gherwin feeder emanating from 33/11 kV Sub-Station, Kandrou (2x6.30 MVA at 33/11 kV level) through solid tap with appropriate Protection arrangement (Annexure-III).

4. It is also averred that the Commission vide Order dated 04.11.2023 has determined the generic levellised tariff in respect of

Solar PV Projects for FY 2023-24 (01.10.2023 to 31.03.2024) under the HPERC (Promotion of Generation from Renewable Energy Sources and Terms and Conditions for Tariff Determination) Regulations, 2017 (RE Regulations, 2017 for short). The Joint Petitioner No. 2 has submitted an undertaking (Annexure-VI) that the project is situated in a rural area. It is also averred that the tariff for the Projects to be set up in areas other than Industrial and Urban areas upto 1 MW is Rs. 3.65 per kWh as determined by the Commission vide Order dated 04.11.2023, which shall be applicable to the Project which has been incorporated in Clause 6.2 of the draft PPA.

5. We have heard Sh. Mandeep Singh, Chief Engineer (System Operation) for the Joint Petitioner No. 1 and Sh. Ram Lal, Authorised Signatory for the Joint Petitioner No. 2 and have perused the entire record carefully.

6. It is evident from the record that the connection agreement in respect of the Project has been signed by the Joint Petitioners on 22.02.2024, a copy whereof has been placed on record. As per the connection agreement, the Interconnection Point of the project has been provided at existing 11 kV Kandroun-Gherwin feeder emanating from 33/11 kV Sub-Station, Kandroun (2x6.30 at 33/11 kV level) through solid tap with appropriate Protection arrangement.

7. As per clause (ii) of sub-clause (a) of Para 4.3.5 of the Swaran Jayanti Energy Policy- 2021, notified on 20.01.2022, Solar Power Projects ranging from 500 kW - 1 MW capacity shall be allotted to bonafide Himachalies only and the energy generated from these Solar Power Projects shall mandatorily be purchased by the HPSEBL, if commissioned on or before 31.03.2030 at HPERC approved tariff applicable on the date of allotment of the Project.

8. It is also evident from the letter of the HIMURJA dated 12.10.2023 that the tariff in respect of the Project shall be as per the rates determined by the HPERC and that the Project has been provisionally registered. As per Schedule-I attached to the draft PPA, the SCOD of the project is 11.10.2024.

9. The Commission vide Order dated 04.11.2023 in Suo Moto Petition No. 06 of 2023 has determined the generic levelised tariff for Solar PV Power Projects for FY 2023-24 (for a period w.e.f. 01.10.2023 to 31.03.2024) as under :-

Sr. No.	Capacity	Generic levelised tariff (Rs. Per kWh)
1.	Projects to be set up in other than industrial areas and urban areas.	
(a)	Upto 1.00 MW	3.65
(b)	Above 1.00 MW & upto 5.00 MW	3.62
2.	Projects to be set up in industrial areas and urban areas	
(a)	Upto 1.00 MW	3.70
(b)	Above 1.00 MW & upto 5.00 MW	3.67

10. This Project is situated in the rural area as per undertaking (Annexure-VI). The capacity of the Project is 500 kW. Thus, the Project is entitled to the tariff of Rs. 3.65 per kWh, which is subject to

adjustment of capital subsidy, if any. However, in case commissioning of the Project is delayed beyond SCOD i.e. 11.10.2024, and the tariff in the said control period is less, the Joint Petitioner No. 2 shall have to provide power to the Joint Petitioner No. 1 on said tariff only.

11. The Petition is supported by the affidavits of the respective parties.

12. Therefore, in view of the powers vested in the Commission under Section 86 (1) (b) of the Act, read with Regulations 50 and 50-A of the CBR, 2005, as amended from time to time, the Joint Petitioners have made out a case for the approval of the Power Purchase Agreement (Solar) in respect of the Project. Hence, the Petition succeeds and allowed. The PPA is ordered to be approved subject to the following conditions:-

- (i) The tariff of Rs. 3.65 per kWh will be applicable to the Project of the Joint Petitioner No. 2 which will be subject to further adjustment of subsidy, if any and is provisional.
- (ii) The undertaking of the Joint Petitioner No. 2 that the Project is at rural area shall form the part of the PPA. Similarly, the Connection Agreement dated 22.02.2024 shall also form part of the PPA.
- (iii) The Joint Petitioner No.2 shall apply to the State/Central Government or its designated department(s)/agency(ies), for grant of applicable subsidy/financial assistance to the Solar Power Project immediately on receipt of this Order, if not already applied, and shall intimate the Joint Petitioner No.1 i.e. HPSEBL of the receipt of financial assistance/subsidy released to the Project by the State/ Central Government or its designated Department(s)/ agency(ies), within 15 days of

receipt of the same and an affidavit to this effect shall be furnished by the Joint Petitioner No. 2 which shall form part of the PPA.

- (iv) The Joint Petitioner No. 2 shall make an endeavour to avail the admissible subsidy/financial assistance (if any). In case the subsidy/financial assistance is not availed or the Joint Petitioner No. 2 fails to approach the State/Central Government or its designated Department(s)/agency(ies), the same shall be deemed to have been availed by the Joint Petitioner No. 2 and the Joint Petitioner No. 1 shall carry out the adjustment of such benefit, if any, admissible to the project after a period of 2 years from the date of the Order, as per order dated 04.11.2023 passed by the Commission in Sua Moto Petition No. 06/2023. The Joint Petitioner No. 1 shall also intimate the Commission in this regard on making adjustment.
- (v) In case the meter is installed in the premises of the Joint Petitioner No. 2, the notional line losses upto the injection point shall be borne by the Joint Petitioner No. 2. In case the metering point is in the facilities of the HPSEBL, the notional line losses from injection point to the metering location have to be borne by the HPSEBL and credit for the losses from the injection point to the metering location shall be given to the Joint Petitioner No. 2 by the HPSEBL.
- (vi) The Scheduled Date of Synchronisation of the Project is 26.09.2024 and Scheduled Commercial Operation Date (SCOD) of the project is 11.10.2024 which has been specified in Schedule-I which shall form a part of the PPA. In case commissioning of the Project is delayed beyond SCOD i.e. 11.10.2024, and the tariff in the said control period is less, the Joint Petitioner No. 2 shall have to provide power to the Joint Petitioner No. 1 on said tariff only.
- (vii) Second para of Sub-Clause 7.1A of Clause 7.1 of the Draft PPA shall be deleted.

13. Other terms and conditions of the PPA shall be subject to provisions of the RE Regulations, 2017 and Order dated 29.02.2016

in Suo-Moto Petition No. 104/2015 whereby Model PPA for Solar PV Projects has been finalized and the Order of Commission dated 04.11.2023 in Suo-Motu Petition No. 06 of 2023 issued under the aforesaid Regulations.

14. The Joint Petitioners are directed to execute PPA as per the above order after carrying out the necessary additions and alterations within 30 days from the date of this order. Three copies of the executed Power Purchase Agreement be submitted to the Commission for record.

Let a copy of this order be supplied to the Joint Petitioners forthwith.

The file after needful be consigned to records.
