The said Project will evacuate its power in joint mode with Jai Singh Thakur Solar Power Project (500 kW) Unit-I and an agreement to this effect has also been signed on 15.01.2025.

5. It is also averred that the Commission vide Order dated 14.03.2024 has determined the generic levellised tariff in respect of Solar PV Projects for FY 2024-25 (01.04.2024-31.03.2025) under the HPERC (Promotion of Generation from Renewable Energy Sources and Terms and Conditions for Tariff Determination) Regulations, 2017, as amended (RE Regulations, 2017 for short). The Joint Petitioner No. 2 has submitted an affidavit (Annexure-VI) that the project is situated in a rural area and that the tariff for the Projects to be set up in areas other than
