**ORDER**

The present Joint Petition has been filed by the Himachal Pradesh State  
Electricity Board Ltd. (Joint Petitioner No.1 or HPSEBL for short) and M/s  
Bani Solar PV Project (Joint Petitioner No. 2 for short) for approval of the

Power Purchase Agreement (PPA for short) under Section 86 (1) (b) of the Electricity Act 2003 (Act for short) read with Regulations 50 & 50-A of the HPERC (Conduct of Business) Regulations, 2005 in respect of M/s Bani Solar PV Project (400 kW) (Project for short).

2. The case of the Petitioners is that the Joint Petitioner No. 2 has setup a Solar PV Project (400 kW) known Bani Solar PV Project situated at Village Bani, Tehsil Kandaghat, Distt. Solan, H.P. The Project has been setup pursuant to the approval accorded by Himurja (HP Govt. Energy Development Agency) vide letter No. HIMURJA(F-7)2/SPV Projects/21-22-8508 dated 10 March, 2022. As per the Joint Petition, the date of Completion/Commissioning Schedule of the Project is 15.02.2023 as evident from Form-A annexured to the Petition.

3. As per the Joint Petition, the Commission vide order dated 29.02.2016 passed in Suo Moto Petition No. 104/2015 has finalized the Model Power Purchase Agreement for Solar PV Projects and the draft PPA has been prepared on the lines of the aforesaid model PPA. According to them, as per Swarn Jayanti Energy Policy 2021, the payment/Billing to the Solar Power Project developers will be made after the date of operation of the Project declared by the Directorate of Energy, Government of Himachal Pradesh (GoHP for short) and the said provision has been incorporated in the draft PPA at Clause 8.1.

4. It is averred that HIMURJA has notified a Scheme for harnessing 20 MW of Solar Power through Projects ranging from 250 to 1000 kW during the month of January 2022. As per this scheme, HPSEBL is mandated to purchase all the power from the solar projects registered under said Scheme. HIMURJA vide letter No. HIMURJA (F-7)2/SPV Projects /21-22-8508 dated 10 March, 2022 has provisionally registered the Project under this Scheme.

Copy of the provisional registration letter is attached at Annexure-IV of the draft PPA.

5. It is averred that the Commission vide Order dated 28.03.2022 in Sua Moto Petition No. 7/22 has determined the the generic levelled tariff in respect of Solar PV Projects for FY 2022-23 under HPERC (Promotion of Generation from Renewable Energy Sources and Terms and Conditions for Tariff Determination) Regulations, 2017. The Company has submitted an undertaking (Annexure-VII of the draft PPA), wherein it has been declared that the said project is situated in rural area. Accordingly, the tariff for the Projects to be set up in other than industrial areas and urban areas upto 1 MW is Rs. 3.75 Per KWh as determined by the Commission vide Order dated 28.03.2022 in Sua Moto Petition No. 7/22 which shall be applicable to the Project which is incorporated in clause 6.2 of draft PPA.

6. We have heard Sh. Kamlesh Saklani, Authorised Representative for the Joint Petitioner No.1 and Sh. Deepak Chauhan, Proprietor of Joint Petitioner No. 2 and have perused the entire record carefully.

7. It is evident from the record that the connection agreement in the respect of the Project has been signed by the Joint Petitioners on 30 May, 2022, a copy of whereof is annexed to the record. The Petition is supported by the affidavits of the respective parties, draft PPA and an undertaking to the effect that the Project is situated in rural area at Village Bani, Tehsil Kandaghat, Distt. Solan, H.P. It is also apparent from the Petition that entire power to be generated from Solar Power Projects is to be purchased by the Joint Petitioner No. 1, the HPSEBL.

8. Therefore, in view of the powers vested in the Commission under Section 86 (1) (b) of the Act, read with Regulations 50 and 50-A of the HPERC (Conduct of Business) Regulations, 2005, the Joint Petitioners have

made out a case for approval of Power Purchase Agreement. Hence, the Petition succeeds and allowed. The draft PPA is ordered to be approved subject to the following conditions:-
