Ltd. Solar Power Project (5.00 MW).

2. The case of the Petitioners is that a Solar PV Project (5.00 MW) known as SS Chauhan Construction Pvt. Ltd. Solar Power Project, situated at Village and Post Office Bam, Tehsil Bharari, Distt. Bilaspur, HP (Project for short) is being setup pursuant to the approval accorded by the HIMURJA (HP Govt. Energy Development Agency) vide letter No. HIMURJA (F-7)/SPV Projects/ 2023- 3261 dated 15.06.2023. As per the Joint Petition, the date of Completion/ Commissioning Schedule of the Project is 14.06.2024 as evident from Schedule-I, annexed to the Draft PPA.

3. As per the Joint Petition, the Commission vide Order dated 29.02.2016 passed in Suo Moto Petition No. 104/2015 has finalized the Model Power Purchase Agreement for Solar PV Projects.

4. It is averred that as per the feasibility report, the interconnection point shall be at the proposed 33kV switching Station /LILO arrangement on 33kV Bharari-Jahu line through solid tap with appropriate Protection arrangement (Annexure-III). It is also averred that SS Chauhan Construction Pvt. Ltd. Solar Power Project (5.00 MW) shall evacuate its power in joint mode with Him Solar Plant (5.00 MW) using the distribution and communication system of the distribution licensee/ SLDC to transmit electricity.

5. As per the Petition, the HIMURJA has notified a Scheme for harnessing of Solar Power through Projects ranging from 250kW to 5MW in the State (Scheme for short). As per the Swaran Jayanti Energy Policy-2021, the HPSEBL is mandated to purchase all the power from the Solar Projects upto 5 MW. It is averred that the HIMURJA vide letter dated 15.06.2023, has provisionally registered the Project of the Joint Petitioner No. 2 under said Scheme. A copy of the provisional registration letter is attached as Annexure-IV to the draft PPA.

6. It is also averred that the Commission vide Order dated 31.03.2023 (Suo-Moto Petition No. 11/2023) has determined the generic levelled tariff in respect of Solar PV Projects for FY 2023-24 under the HPERC (Promotion of Generation from

Renewable Energy Sources and Terms and Conditions for Tariff Determination) Regulations, 2017 (RE Regulations, 2017 for short). The Joint Petitioner No. 2 has submitted an Affidavit (Annexure-VI to the draft PPA) wherein it has been declared that the said project is situated in a rural area. It is also averred that the tariff for the Projects to be set up in areas other than Industrial and Urban areas upto 5 MW is Rs. 3.72 per kWh as determined by the Commission vide Order dated 31.03.2023 (Suo-Moto Petition No. 11/2023) which shall be applicable to the Project which has been incorporated in Clause 6.2 of the draft PPA.

7. We have heard Sh. Kamlesh Saklani, Authorised Representative for the Joint Petitioner No. 1 and Sh. Shashi Pal Singh, Authorised Signatory for the Joint Petitioner No. 2 and have perused the entire record carefully.

8. It is evident from the record that the connection agreement in respect of the Project has been signed by the Joint Petitioners on 10.10.2023, a copy whereof is placed below on record and as per the connection agreement, the Joint Petitioner No. 1 has agreed to the connection of SS Chauhan Construction Pvt. Ltd. Solar Power Project (5.0 MW) to the Distribution's Licensee's Wheeling and Communication System (via the applicant's site related) Connection Equipment) at the

interconnection point i.e. proposed 33kV switching station/ LILO arrangement on 33kV Bharari-Jahu line through solid tap with appropriate Protection arrangement. The record further shows that SS Chauhan Construction Pvt. Ltd. Solar Power Project (5.0 MW) shall evacuate its power in joint mode with Him Solar Plant (5.0 MW) using the distribution and communication system of the distribution licensee/ SLDC to transmit electricity. It is mentioned that the cost of 33kV switching Station /LILLO and O&M charges (if any) mentioned in the sub-clause 2.4 & 2.5 of clause 2 of the connection agreement dated 10.10.2023 shall be borne by the Joint Petitioner No. 2. It is also evident from the joint agreement dated 28.09.2023 signed between SS Chauhan Construction Pvt. Ltd. Solar Power Project and Him Solar Plant in which both have agreed not to claim any damages or losses, if any, occurring out of the said joint evacuation arrangement in future which shall form part of draft PPA.

9. As per clause (ii) of sub-clause (b) of Para 4.3.5 of the Swaran Jayanti Energy Policy-2021, notified on 20.01.2022, energy generated from Solar Power Projects of capacity greater than 1 MW upto 5MW, if commissioned on or before 31.03.2030, shall be purchased by the HPSEBL on the tariff fixed by HPERC.

10. It is also evident from the letter of the HIMURJA dated 15.06.2023 that the tariff in respect of the Project shall be as per the rates determined by the HPERC and that the Project has been provisionally registered. As per Schedule-I attached to the draft PPA, the SCOD of the project is 14.06.2024. Thus, the SCOD is being taken as 14.06.2024. It has been submitted that a significant time was taken on obtaining connection agreement and preparation of Joint Petition for approval of PPA.

11. The Commission vide Order dated 31.03.2023 in Suo Moto Petition No. 11 of 2023 has determined the generic levelised tariff for Solar PV Power Projects for FY 2023-24 (for a period w.e.f. 01.04.2023 to 30.09.2023) as under :-

Sr. No.	Capacity	Generic levelised tariff (Rs. Per kWh)
1.	Projects to be set up in other than industrial areas and urban areas.	
(a)	Upto 1.00 MW	3.75
(b)	Above 1.00 MW & upto 5.00 MW	3.72
2.	Projects to be set up in industrial areas and urban areas	
(a)	Upto 1.00 MW	3.81
(b)	Above 1.00 MW & upto 5.00 MW	3.78

12. This Project is situated in the rural area as per Affidavit (Annexure-VI) and the capacity of the Project is 5.0 MW. Thus, the Project is entitled to the tariff of Rs. 3.72 per kWh, which is subject to adjustment of capital subsidy, if any. However, in case commissioning of the Project is delayed beyond SCOD i.e. 14.06.2024, and the tariff in the said control period is less, the

Joint Petitioner No. 2 shall have to provide power to the Joint Petitioner No. 1 on said tariff only.

13. The Petition is supported by the affidavits of the respective parties.

14. Therefore, in view of the powers vested in the Commission under Section 86 (1) (b) of the Act, read with Regulations 50 and 50-A of the CBR, 2005, as amended from time to time, the Joint Petitioners have made out a case for the approval of the Power Purchase Agreement (Solar) in respect of the Project.
