(2) A person may authorize an advocate or a member of any statutory professional body holding a certificate of practice as the Commission may, from time to time, direct to represent him and to act and plead on his behalf before the Commission.

(3) The Commission may, from time to time, decide the terms and conditions subject to which a person may authorize any other person to represent him and to act and plead on his behalf and the type of authorization to be provided to the Commission for the purpose. (4) Notwithstanding the above, the Commission may allow any consumer group or association or any persons duly authorized by such consumer group or association to appear in any proceeding before the Commission or in any meeting before the initiation of the proceedings on such terms and conditions, in regard to the nature and extent of participation as the Commission may consider it to be appropriate.

(5) It shall be open to the Commission for the sake of timely completion of proceedings to direct grouping of associations/groups/fora referred to above for submission of respective petitions/affidavits collectively.

(6) The Commission may, as and when considered appropriate, notify a procedure for recognition of associations, groups, fora or bodies corporate as registered consumer association for purposes of representation before the Commission.

(7) The Chairperson may appoint or authorise any officer or any other person to represent the interest of consumers, and may direct payment to the officer or person appointed or so authorised to represent the consumer's interest, such fees, costs and expenses by such of the parties to the proceedings as the Chairperson may consider appropriate.

**15. Initiation of proceedings.-** (1) The Commission may initiate any proceeding suo motu or on a petition filed by any affected or interested person.

(2) When the Commission initiates the proceeding, it shall be by a notice issued by the office of the Commission and the Commission may give such orders and directions as may be deemed necessary, for service of notice to the affected or interested parties and for the filing of replies and rejoinders in opposition or in support of the petition in such form as the Commission may direct:

Provided that where the Commission initiates suo-motu proceeding, the notice inviting public response shall clearly indicate the proposal of the Commission and shall be inserted/uploaded/published in public domain for seeking suggestions and objections of the public.

(3) The Commission may, if it considers it to be appropriate, issue orders for advertisement of the petition inviting comments on the issues involved in the proceedings in such form as the Commission may direct.

(4) While issuing the notice, the Commission may, in suo motu proceedings and in other appropriate cases, designate an officer of the Commission or any other person whom the Commission considers it to be appropriate to present the matter in the capacity of a petitioner in the case.

**16.** Petitions before the Commission.- (1) All petitions shall contain a clear and concise statement of the facts with material particulars, the relief sought, the applicable provisions of law and the basis for such relief.

(2) All petitions to be filed before the Commission shall be type written, or printed neatly and legibly on white paper and every page shall be consecutively numbered, and in addition, the petition shall also be sent in an electronic form on e-mail address of the Commission i.e. <u>secy-hperc@hp.gov.in</u> in both word and pdf formats on such terms and conditions, as the Commission may direct.

(3) The contents of the petition shall be divided appropriately into separate paragraphs, which shall be numbered serially.

(4) The petition shall be accompanied by a paper book containing such documents, supporting data and statements, as are relevant to the matters in issue in the petition together with index of documents.

(5) The fee specified by the Commission shall be paid at the time of or before the presentation of the petition.

(6) The fees received shall be entered into the register specified for the purpose in the Form-CB-4.

**17. General headings.** The general headings in all petitions before the Commission and in all advertisements and notices shall be in the Form CB-5.

**18.** Affidavit in support.- (1) The petitions filed shall be verified by an affidavit and every such affidavit shall be in the Form CB-6:

Provided that the Commission may, at its discretion, waive of the requirement of affidavit in any particular case.

(2) Every affidavit shall be drawn up in the first person and shall state the full name, age, occupation and address of the deponent and the capacity in which he is signing and shall be signed and sworn before a person lawfully authorized to take and receive affidavits.

(3) Every affidavit shall clearly and separately indicate the statements which are true to the -

(i) knowledge of the deponent;

(ii) information received by the deponent; and

(iii) belief of the deponent.

(4) Where any statement in affidavit is stated to be true to the information received by the deponent, the affidavit shall also disclose the source of the information and a statement that the deponent believes that information to be true.

**19. Presentation and scrutiny of the pleadings, etc.-** (1) All petitions shall be filed with five extra copies and in addition, the petition shall also be sent in an electronic form on e-mail address i.e. <u>secy-hperc@hp.gov.in</u> in both word and PDF formats and each set of the petition shall be complete in all respects.

(2) All petitions shall be presented in person or by any duly authorized agent to an officer designated for the purpose by the Commission (the Receiving Officer) at the headquarters of the Commission or at such other place or places as may be notified by the Commission, from time to time, and during the time notified. The petitions may also be sent by registered post with acknowledgement due to the Commission at the aforementioned places or a bench, as the case may be.

(3) The vakaltnama in favour of the Advocate and, in the event the petitions are presented by the authorized agent or representative, the document authorizing the agent or representative shall be filed alongwith the petition. Any person other than a legal practitioner representing a party before the Commission shall file a Memorandum of Appearance in Form CB-7 duly signed by him.

(4) The presentation and the receipt of the petition shall be duly entered in the register maintained, for the purpose by the office of the Commission in Form CB-8.

(5) Upon the receipt of the petition, the Receiving Officer shall acknowledge the receipt by stamping and endorsing the date on which the petition has been presented and shall issue an acknowledgement with stamp and date to the person filing the petition. In case the petition is received by registered post the date on which the petition is actually received at the office of the Commission shall be taken as date of the presentation of the petition.

(6) The Receiving Officer may decline to accept any petition which is not in conformity with the provisions of the Act or the Regulations or directions given by the Commission or is otherwise defective or which is presented otherwise than in accordance with these Regulations or directions of the Commission:

Provided however, that no petition shall be refused for defects in the pleadings or in the presentation, without giving an opportunity to the person filing the petition to rectify the defect within the time, which may not exceed a period of two weeks and be allowed for the purpose. The Receiving Officer shall advise in writing, in Form CB-9 the person filing the petition of the defects in the petition filed and the time within which the defects be rectified.

(7) A party aggrieved by any order of the Receiving Officer in regard to the presentation of the petition may request the matter to be placed before the Secretary of the Commission for appropriate orders.

(8) The Chairperson or any Member as the Chairperson may designate for the purpose, shall have the power to call for the petition presented by the party and give such directions regarding the presentation and acceptance of the petition, as he considers appropriate.

(9) If on scrutiny, the petition is not refused or any order of refusal is modified by the Secretary or by the Chairperson or the Member of the Commission designated for the purpose, the petition shall be duly registered and given a number in the manner directed by the Commission.

(10) As soon as the petition and all necessary documents are lodged and the defects and objections, if any, are removed and the petition has been scrutinized and numbered, the petition shall be placed before the Commission for admission:

Provided however, that in the case of complaints of individual consumers, class of consumers or any consumer organizations, the Secretary of the Commission may refer the matter to the Forum for redressal of the grievances of the consumers established for the purpose in terms of sub-section (5) of section 42 of the Act and the regulations framed by the Commission under the said provisions.

(11) The Commission may admit the petition for hearing without requiring the attendance of the party filing the petition. The Commission shall not pass an order refusing admission without giving the party concerned an opportunity of being heard. The Commission may, if it considers appropriate, issue notice to such person or persons, as it may desire to hear on the petition for admission.

(12) If the Commission admits the petition, it may give such orders and directions as may be considered necessary, for service of notices to the respondent and other affected or interested parties and for the filing of replies and rejoinder thereof in such form as the Commission may direct and to fix a date for hearing of the petition before the Commission. **20.** Service of notices and processes issued by the Commission.- (1) Subject to the provisions of the rules framed by the State Government under sub-section (1) of section 171 of the Act, any notice or process to be issued by the Commission may be served by any one or more of the following modes, as may be directed by the Commission:-

- (i) service by any of the parties to the proceedings as may be directed by the Commission;
- (ii) by hand delivery through a messenger;
- (iii) by registered post with acknowledgement due;
- (iv) by publication in newspaper in cases where the Commission is satisfied that it is not reasonably practicable to serve the notices, processes, etc. on any person in the manner mentioned above; and
- (v) in any other manner as may be considered appropriate by the Commission.

(2) Every notice or process required to be served on or delivered to any person may be sent to the person or his agent empowered to accept service at the address furnished by him for service or at the place where the person or his agent ordinarily resides or carries on business or personally works for gain.

(3) In the event any matter is pending before the Commission and the person to be served has authorized an agent or representative to appear for or represent him in the matter, such agent or representative shall be deemed to be duly empowered to take service of the notices and processes on behalf of the party concerned in all matters and the service on such agent or representative shall be taken as due service on the person to be served. It shall be the duty of such agent or representative to duly inform the person, whom he represents, of the service of the notices and processes.

(4) Where a notice or process is served by a party to the proceedings either in person or through registered post, an affidavit of service shall be filed by such party with the Commission giving details of the date, manner and proof of service of the notice or the process, as the case may be.

(5) Where any application, petition, or other matter is required to be published under the Act or the regulations framed thereunder or as per the directions of the Commission, it shall, unless the Commission otherwise orders or the Act or regulations otherwise provide, be published within such time as the Commission may direct and in the absence of any specific directions to the contrary, not less than seven days before the date fixed for hearing and further unless otherwise directed by the Commission, such publication shall be done in two newspapers one in English language and one in Hindi language having circulation in the area concerned:

Provided that save as otherwise provided, such publication shall give a heading describing the subject matter in brief and shall be approved by the officer of the Commission designated for the purpose.

(6) The Commission may also effect service or give directions for effecting service in any other manner it considers appropriate.

(7) The Commission shall have the power to decide in each case the person(s) who shall bear the cost of such service and publication.

(8) Save as otherwise provided in the Act or in this Regulation and subject to any direction which the Commission or the Secretary or the officer of the Commission designated

for the purpose may issue, the petitioner, the applicant or any other person whom the Commission may make responsible, shall arrange for service of notices, summons, processes and for publication of notices and processes required to be served or published.

(9) In default of compliance with the requirements of the regulations or directions of the Commission as regards the service of notices, summons or processes or the advertisement and publication thereof, the Commission may either dismiss the petition or give such other or further directions, as it thinks fit.

(10) No service or publication required to be done shall be deemed invalid by reason of any defect in the name or description of person; provided that the Commission is satisfied that such service is in other respects sufficient.

(11) No proceeding shall be invalidated by reason of any defect or irregularity in the service or publication unless the Commission, on an objection taken, is of the opinion that substantial injustice has been caused by such defect or irregularity in publication or there are otherwise sufficient reasons for doing so.

**21. Filing of reply, opposition, objections, etc.-** (1) Each person to whom the notice of inquiry or the petition is issued (hereinafter called "the respondent") who intends to oppose or support the petition shall file the reply and the documents relied upon within such period with five copies and or such number of copies as may be directed by the Commission, and in addition, the reply and the documents relied upon shall be sent on e-mail address i.e. <u>secy-hperc@hp.gov.in</u> (in both word and pdf formats).

(2) In the reply filed, the respondent shall specifically admit, deny or explain the facts stated in the notice of inquiry or the petition and may also state such additional facts as he considers necessary for a just decision of the case.

(3) The reply shall be signed and verified and supported by affidavit in the same manner as in the case of the petition. The respondent shall also indicate whether he wishes to participate in the proceedings and be orally heard.

(4) Subject to the provisions of sub-regulation (6), every party to a petition, who intends to file a reply, written statement, rejoinder, objection, or application, in regard to a matter pending before the Commission, shall supply in advance, alongwith the documents and Annexures, as the case may be, a copy of reply, written statement, rejoinder or the application to an officer, designated by the Commission for this purpose and also to the opposite party or his Counsel or his authorized representative at least two days before the actual date of hearing, and file in accordance with the provisions of sub-regulation (4) of Regulation 20 the proof to that effect with the office of the Commission:

Provided that in case the opposite party or his Counsel or his authorized representative is not available and the copy cannot be supplied, a note to that effect shall be made on the application:

Provided further that in exceptional and unforeseen circumstances, such reply, written statement, rejoinder or application may be presented, on a day, before such date, by 11 am.

(5) Where the respondent states additional facts, the Commission may allow the petitioner to file a rejoinder to the reply filed by the respondent. The procedure mentioned above for filing of the reply shall apply mutatis mutandis to the filing of the rejoinder.

(6) Every person who intends to file objections or comments in regard to a matter pending before the Commission, pursuant to the publication issued for the purpose (other than the persons to whom notices, processes, etc. have been issued calling for reply) shall deliver to the Receiving Officer the statement of the objections or comments with copies of the documents and evidence in support thereof within the time fixed for the purpose and in addition, shall be sent such statement of objections or comments etc. on e-mail address i.e. secy-hperc@hp.gov.in (in both word and pdf formats).

(7) The Commission may permit such person or persons as it may consider to be appropriate to participate in the proceedings before the Commission, if on the report received from the Officer, the Commission considers that the participation of such person or persons will facilitate the proceedings and the decision in the matter.

(8) Unless permitted by the Commission, the person filing objections or comments shall not participate in the proceedings. However, the Commission shall take into account the objections and comments filed by him.

**22. Hearing of the matter.**- (1) The Commission may determine the stage, the manner, the place, the date and the time of the hearing of the matter as it may consider to be appropriate, consistent with such specific timing requirements as are set forth in the Act or otherwise needed to expeditiously decide the matter.

(2) The Commission may decide the matter on the pleadings of the parties or may call the parties to produce evidence by way of affidavit or lead oral evidence in the matter.

(3) If the Commission directs evidence of a party to be led by way of affidavit, the Commission may, as and when the Commission considers it to be necessary, grant an opportunity to the other party to cross examine the deponent of the affidavit.

(4) The Commission may, if considered necessary or expedient, direct that the evidence of any of the parties be recorded by an officer or person designated for the purpose by the Commission.

(5) The Commission may direct the parties to file written note of arguments or submissions in any proceeding before the Commission as the Commission considers to be appropriate.

**23.** Power of the Commission to call for information etc.- (1) The Commission may, at any time before passing orders on any matter, require the parties or any one or more of them or any other person whom the Commission considers appropriate, to produce such documentary or other material objects as evidence as the Commission may consider necessary for the purpose of enabling it to pass orders.

(2) The Commission may direct the summoning of the witnesses, discovery and production of any document or other material objects producible in evidence, requisition any public record from any office, examination by an officer of the Commission the books, accounts or other documents or information in the custody or control of any person which the Commission considers relevant for the matter.

(3) The Commission may, if it considers appropriate, allow any of the parties or others specified in sub-regulations (1) or (2) to adduce such further documentary or other evidence in regard to evidence made available by any of the parties or other persons under the said sub-regulation.

(4) The Commission may, at any time, summon and enforce the attendance of any person and examine him on oath.

(5) The Commission may receive evidence by way of affidavit.

**24. Reference of issues to others.-** (1) At any stage of the proceedings, the Commission shall have the power to refer such issue or issues in the matter as it considers appropriate to persons including, but not limited to, the officers and consultants of the Commission whom the Commission considers as qualified to give expert or specialized advice or opinion.

(2) The Commission may nominate, from time to time, any person including, but not limited to, the officers and consultants to visit any place or places for inspection and report on the existence or status of the place or any facilities therein.

(3) The Commission, if it thinks fit, may direct the parties to appear before the persons, designated in sub-regulation (1) or (2) to present their respective views on the issues or matters referred to.

(4) The report or the opinion received from such person shall form a part of the record of the case and parties shall be given the copies of the report or opinion given by the person designated by the Commission. The parties shall be entitled to file their version either in support or in opposition to the report or the opinion.

(5) The Commission shall duly take into account the report or the opinion given by the person and the replies filed by the parties while deciding the matter and if considered necessary, examine the person giving the report or the opinion:

Provided that the Commission shall not be bound by the report or the opinion given and shall be free to take such decision as it may consider to be appropriate.

**25.** Procedure to be followed where any party does not appear.- (1) If, on the date fixed for hearing or any other date to which such hearing may be adjourned, if any party or his authorized agent or representative does not appear when the matter is called for hearing, the Commission may, in its discretion, either dismiss the petition for default when the petitioner or the person who moves the Commission for hearing is absent or proceed exparte to hear and decide the petition if the other party is absent.

(2) Where a petition is dismissed in default or decided exparte, the person aggrieved may file an application within thirty days from the date of such dismissal or being proceeded ex-parte, as the case may be, for recall of the order passed, and the Commission may recall the order on such terms as it thinks fit, if the Commission is satisfied that there was sufficient cause for non-appearance of the person when the petition was called for hearing.

**37.** Copies of maps and proforma for public inspection.- The applicant shall maintain at his own office and at such other place as may be designated by the Commission the copies of the documents referred to in sub-regulation (5) of Regulation 33 for public inspection and furnish to persons applying for them the copies of such documents at a price not exceeding the normal photocopying charges.

**38.** Calling for additional information.- The Commission or the Secretary or any officer designated for the purpose by the Commission may upon scrutiny of the application, require the applicant to furnish within a period to be specified, such additional information or particulars or documents as the Commission may consider to be necessary for the purpose of dealing with the application.

**39.** Notifying the due filing of the application.- If the Commission finds the application to be complete and accompanied by the requisite information, particulars and documents and the applicant has complied with all the requirements for making the application and furnishing of information, particulars and documents, the Commission or the Secretary or the officer designated for the purpose shall certify that the application is ready for being considered for grant of licence in accordance with applicable laws and communicate the same to the applicant.

**40. Publication of notice of application.-** (1) The applicant shall, within seven days from the date of admission and numbering of the application, publish a notice of the application in Form CB-18 with such particulars and in such manner as the Commission may direct.

(2) The publication shall be headed by a short title corresponding to that given in the application and shall give the addresses of the offices at which the documents copies of maps therein referred to may be inspected and the copies of documents be purchased and shall state that every local authority, utility or person, desirous of making any representation with reference to application to the Commission, may do so by a letter addressed to such officer as the Commission may designate in this behalf, within thirty days from the date of publication.

**41. Service of notice of the application.-** (1) The Commission may direct that notice of the application be served on the Central Government, the State Government, the local authority or any other authority or person or body as the Commission may direct in such form with such particulars and in such manner as the Commission may consider appropriate.

(2) The applicant shall apply for and obtain the no objection certificate required from the Central Government in terms of clause (ii) of sub- section (2) of section 15 of the Act before the application is placed for hearing by the Commission for grant of the licence.

**42. Objections.-** (1) Any person intending to object to the grant of the licence shall file objections within thirty days from the date of publication of the notice by the applicant. The objections shall be filed in the form of reply and the provisions of Chapter II dealing with reply shall apply to the filing of such objections.

(2) Any person who desires to have any amendment made in proposed conditions of licence shall deliver a statement of the amendment to the applicant and to such officer as the Commission may designate in this behalf and within the time allowed by the Commission for filing objection.

**43. Hearings and local inquiries.-** (1) If the applicant has duly arranged for the publication of the notice of the intended application and the time for filing of the objection is over and after the applicant has furnished to the Commission the no objection certificate, if any, required from the Central Government, the Commission may proceed with the hearing of the application.

(2) The Commission shall give the notice of hearing to the applicant, the persons who had filed objections, the Central Government, the State Government, the local authority and such other authority, person or body as the Commission may consider appropriate.

(3) The Commission shall consider the recommendations, if any, from the State Transmission Utility in regard to the grant of a transmission licence.

(4) If any person objects to the grant of a licence applied for, the Commission may if either the applicant or the objector so desires, cause a local inquiry to be held of which the notice in writing shall be given to both the applicant and the objector.

(5) In case of such local inquiry a memorandum of the results of the inquiry made shall be prepared and shall be signed by the applicant, the officer or person designated for the purpose and such other person as the Commission may direct.

(6) The hearing on the application for grant of licence shall, thereafter, proceed as far as possible in the same manner as provided in Chapter-II.

**44. Grant of licence.** (1) After inquiry, if any, and the hearing, the Commission may decide to grant or refuse the licence and if it decides to grant the licence it may do so on such terms and conditions and with such modifications to the general or specific conditions as the Commission may decide.

(2) When the Commission has approved the grant of licence, the Secretary or such other officer as the Commission may designate in this behalf, shall inform the applicant of such approval and of the form in which it is proposed to grant the licence and the conditions to be satisfied by the applicant including the initial and periodical licence fees to be paid by the applicant for the grant of the licence.

(3) The Commission may publish a notice in two daily newspapers, as the Commission may consider necessary, stating the name and address of the person to whom it proposes to issue the licence.

(4) On receiving an intimation in writing from the applicant that he is willing to accept a licence in the form approved by the Commission and after the applicant satisfies the conditions imposed for the grant of the licence, the Commission may direct the applicant to publish the licence or such part or gist thereof as the Commission considers it to be appropriate.

(5) The Commission shall immediately after issue of a licence, forward a copy of the licence to the State Government, the Central Electricity Authority, local authority and to such other persons as the Commission considers necessary.

**45.** Date of commencement of licence.- The licence shall commence from the date the Commission may direct as the date of commencement of licence, and the licence shall be in force for the period specified in the licence, subject however to earlier revocation in accordance with law.

**46. Deposit of maps.-** (1) When a licence has been granted, three sets of maps showing, as regards such licence, the particulars specified in regulation 34 of these Regulations shall be signed and dated to correspond with the date of notification of grant of licence by such officer as the Commission may designate in this behalf.

(2) One set of such maps shall be retained as the deposited maps by the said officer and other two sets shall be given to the licensee after due attestation by the Commission.

(3) The licensee shall, whenever required by the Commission, furnish the maps in an electronic form.

**47.** Deposit of licence copies.- (1) Every person, who is granted a licence, shall within thirty days of the grant thereof,-

- (a) have adequate number of copies of the licence printed;
- (b) have adequate number of maps prepared showing the area of supply specified in the licence; and
- (c) arrange to exhibit a copy each of such licence and maps for public inspection at all reasonable times at his head office and at his local offices (if any) within the area of supply.

(2) Every such licensee shall, within the aforesaid period of thirty days, supply free of charge one copy of the licence (to every local authority) within the area of supply and shall also make necessary arrangements for the sale of printed copies of the licence to all persons applying for the same during the period of the licence, at a price not exceeding normal photocopying charges.

**48.** Preparation and submission of accounts.- (1) Every licensee shall cause the accounts of his utility to be made up to the  $31^{st}$  day of March each year.

(2) Such licensee shall prepare and render an annual statement of his accounts in accordance with the directions given by the Commission, within a period of six months from the aforesaid date, or such extended period as the Commission may authorize after it is satisfied that the time allowed is insufficient owing to any cause beyond the control of the licensee. The statement shall be rendered in such number of copies as the Commission may direct.

(3) The accounts shall be made up in such forms as the Commission may direct from time to time. The forms shall be signed by the licensee or the duly authorized agent or manager of the licensee.

(4) The Commission may, by special or general order, direct that, in addition to the submission of the annual statements of accounts under sub-regulation (3), the licensee shall submit to the Commission or such other authority as it may designate in this behalf such additional information as it may require for the purpose.

**49.** Conditions of electricity supply.- (1) The distribution licensee shall comply with the Electricity Supply Code and conditions of supply as the Commission may specify from time to time.

(2) The distribution licensee shall within six months from the grant of the licence, and in the case of deemed licensee under section 14 of the Act, from the commencement of these Regulations, file with the Commission the modifications to the existing conditions of supply and on the approval being granted by the Commission the conditions of supply with such modifications approved by the Commission, shall apply to the distribution licensee.

(3) Until the Commission approves the conditions of supply under sub-regulation (2), the distribution licensee shall follow the existing conditions of supply with such specific modifications as the Commission may direct.

(4) The distribution licensee shall always keep in his office adequate number of copies of the updated Electricity Supply Code and conditions of supply and he shall, on demand, sell such copies to any applicant at a price not exceeding normal photocopying charges.

**50. Contravention by licensee.** The Commission may pass such orders as it thinks fit in accordance with the provisions of the Act and these Regulations for the contravention or the likely contravention of the terms and conditions of licence by the licensee.

**51.** Suspension of licence.- (1) Subject to the provisions of section 24 of the Act and the Regulations framed thereunder, where the circumstances exist which render it necessary for it in the public interest, the Commission may suspend, for a period not exceeding one year, the distribution licence, if in the opinion of the Commission the distribution licensee -

- (a) persistently fails to maintain uninterrupted supply of electricity conforming to the standards regarding quality of electricity to the consumers; or
- (b) is unable to discharge the functions or perform the duties imposed on it by or under the provisions of the Act;
- (c) persistently defaults in complying with the directions given by the Commission under the Act, or
- (d) breaches the terms and conditions of the licence.

(2) Before suspending a licence under sub-regulation (1), the Commission shall give the licensee not less than one month notice, in writing, stating the grounds on which it is proposed to suspend the licence, and has considered any cause shown by the licensee within the period of that notice, against the proposed suspension.

(3) While suspending the licence under these Regulations, the Commission shall appoint an Administrator to discharge the functions of the distribution licensee in accordance with the terms and conditions of the licence and on such appointment the utilities of the distribution licensee shall vest in the Administrator for a period not exceeding one year or upto the date on which such utility is sold in accordance with the provisions of section 20; or till the licence is revoked under section 19, or the suspension of the licence is revoked, whichever is earlier.

**52. Revocation of the licence.-** (1) The proceedings for revocation of the licence or for passing of any other orders specified in section 19 of the Act shall be initiated by an order passed by the Commission. The Commission may initiate such proceedings suo motu or on application of the licensee or on receiving any complaint or information from any person.

(2) The Commission shall give notice of the proceedings for the revocation of the licence to the licensee and to such other persons, authority or body as the Commission may consider necessary.

(3) Subject to the provisions of the Act, and the procedure contained therein, the inquiry by the Commission for revocation of the licence, in so far it is applicable, shall be in the same manner as provided in Chapter- II of these Regulations :

Provided that the licensee shall be given not less than three months notice in writing to show cause against the proposed revocation and the notice to show cause issued to the licensee shall clearly state the grounds on which the Commission proposes to revoke the licence.

(4) If the Commission decides to revoke the licence, the Commission shall communicate the order of revocation to the licensee stating the effective date from which such revocation shall take effect.

(5) The Commission may instead of revoking the licence pass any other order imposing further terms and conditions subject to which the licensee is permitted to operate thereafter.

(6) Where the Commission has given notice for revocation of licence, the licensee may, after prior approval of the Commission, sell the undertakings of the licensee to any person who is found eligible by the Commission for grant of licence, without prejudice to any penalty which may be imposed or prosecution proceeding which may be initiated against the person whose license is revoked.

**53.** Amendment of the licence.- (1) The application for amendment to the terms and conditions of the licence may be made by the licensee in such form as may be directed for the purpose by the Commission. The application shall be accompanied with a statement of the proposed amendment and shall be supported by affidavit as provided in Chapter-II of these Regulations.

(2) The application for amendment shall be accompanied by a receipt of such fee as the Commission may specify and paid in the manner directed by the Commission.

(3) The applicant shall, within seven days from the date of admission and numbering of the application for amendment, publish a notice of the amendment application filed, giving a brief statement of the amendment proposed, the reason for the proposed amendment, the effect of the amendment proposed on the discharge of the functions of the licensee under the licence granted, the alternate arrangement proposed for such discharge of the functions and such other particulars as the Commission may direct. The publication shall give the addresses of the offices at which the application for amendment may be inspected and the copies of documents be purchased and shall state that every local authority, utility or person, desirous of making any representation with reference to application to the Commission, may do so by a letter addressed to such officer as the Commission may designate in this behalf, within thirty days from the date of publication.

(4) In the event the Commission proposes to amend the terms and conditions of the licence granted to a licensee, the Commission shall publish a notice of the proposed amendment giving a brief statement of the amendment proposed, the reason for the proposed amendment, the effect of the amendment proposed on the discharge of the functions of the licensee under the licence granted, the alternate arrangement proposed for such discharge of the functions and such other particulars as the Commission may consider appropriate.

(5) Unless otherwise specified in writing by the Commission, the procedure specified in these Regulations for grant of licence, in so far it can be applied, shall be followed while dealing with an application for amendment of the licence.

**54. Deemed grant of the licence.-** (1) Until otherwise directed by the Commission, the following classes of persons engaged in the supply of electricity in the State of Himachal Pradesh shall be deemed to have applied for and granted the Category II - Licence for the purpose contained herein and subject to the fulfillment of the conditions contained in sub-regulation (2) -

- (a) persons who supply electricity generated by themselves and/or supplied to them by an authorized person, for the purposes of an event or function not exceeding two months, and when the electricity is distributed through a system owned by them;
- (b) persons who supply electricity to the residential colonies as a part of their activity of maintaining such colonies for use and occupation of their employees and/or for use and occupation of persons providing facilities and services to the employees, where such person procures electricity from any licensee or from any other source approved by the Commission and distributes the electricity within the residential colonies on no-profit motive basis; and
- (c) the State Electricity Board performing bundled functions of transmission, distribution and trading in electricity and its successor companies or such other persons as the Commission may, from time to time, by order notify, subject to such terms and conditions as the Commission may direct.
- (2) The licensee under sub-regulation (1) shall -
  - (a) not directly or indirectly undertake trading in electricity or distribution or supply of electricity outside its area of operation and the distribution or supply of electricity shall be strictly restricted to the purpose mentioned in sub-regulation (1);
  - (b) establish the electric line or works only within the area of operation;

- (c) if so required furnish to the Commission such information required for the purposes of the discharge of the functions of the Commission as the Commission may, from time to time, direct;
- (d) comply with the provisions of the Act, the Regulations of the Commission, technical codes such as grid code, supply code, standards of performance and overall standards of performance or any other guidelines issued by the Commission; and
- (e) comply with any directions which the Commission may issue, from time to time, in regard to the charges which such persons may levy on the consumers taking into account the charges prevailing in the nearly area of supply of electricity supplied by a licensee.

(3) The Commission shall be entitled to issue appropriate directions, from time to time, as it may consider to be necessary and take appropriate action against a licensee under these Regulations in accordance with the provisions of the Act and these Regulations for any breach or non-compliance thereof.

(4) The Commission may, at any stage, if it considers to be necessary, direct the licensee under this regulation to apply for Category -I Licence and consider the grant or refusal of licence and may by an interim or final order direct such licensee to cease to transmit or distribute or supply electricity in the area of operation or any part thereof or undertake trading in electricity.

(5) If any difference or dispute arises as to whether the person is entitled to undertake supply of electricity as a licensee under this regulation, the decision thereon of the Commission shall be final.

## CHAPTER –V

## GENERATING COMPANIES AND CAPTIVE GENERATING STATIONS

**55.** Generating companies and captive generating stations.- The generating companies and other persons who have established generating stations including captive generating stations in the State and the persons who desire to establish such generating stations including captive generating stations shall furnish to the Commission the technical details of the generating stations as per Form CB-19 within thirty days of notification of these Regulations or within thirty days of the commencement of generation of electricity at the station, whichever is later.

- (b) the project cost together with the cost benefit analysis;
- (c) whether the investment is in a new project or for expansion or up-gradation of an existing system;
- (d) sanctions and statutory clearances required for execution of the project and status of such sanctions and statutory clearances;
- (e) phasing of investment over the financial years and commissioning schedule;
- (f) the manner and the timeframe in which investments will be capitalized for the purposes of inclusion in the revenue requirement of the licensee;
- (g) constraints which the licensee may face in making the investments or in implementing the project including constraints on the information available;
- (h) resource mobilization and financial plans for meeting the investment; and
- (i) such other particulars as the Commission may, from time to time, direct.
- (4) The Commission may at its discretion,-
- (a) hold such inquires and consultations as the Commission may consider appropriate while dealing with the application for approval of the investment to be made by the licensee; and
- (b) initiate a proceeding or consider the application for investment approval as a part of the proceedings for determination of tariff or alongwith any other proceedings as the Commission may consider appropriate.

(5) The Commission shall have the power to appoint consultants, investigators, experts and others as the Commission may consider appropriate and authorize the

Commission's staff, consultants, investigators and experts to hold discussions and deliberations with the licensees before the Commission considers the application for investment approval. The cost of consultancies, investigations and reports as per this sub-regulation shall be borne by the licensee.

(6) The licensee and other applicants seeking investment approval shall furnish information, particulars and documents as may be required by the Commission's staff, consultants, investigators and experts appointed by the Commission for the purpose and allow them access to the records and documents in the power, possession or custody of the licensee. The licensee shall cooperate with the Commission's staff, consultants, investigators and experts to enable them to discharge their functions and to submit a report to the Commission on the outcome of their findings.

(7) The Commission shall take into consideration, while determining the tariffs of the licensees as per this Regulation and as per the Tariff Regulations framed by the Commission under section 61 of the Act, the approval granted by the Commission to the licensees for the investments under this Regulation and the action and inaction on the part of the licensees in complying with the terms contained in this Regulation.

## **CHAPTER –VIII**

# PERFORMANCE STANDARDS, SUPPLY CODES REGULATIONS ETC.

**59.** Performance standards, supply codes regulations etc.- (1) The Commission may, from time to time, direct the licensees and generating companies operating in the State to formulate or adopt such codes as the Commission considers appropriate for the proper, efficient, economical and competitive conduct of the electricity sector and operation of the power systems in the State.

(2) The Commission may hold such consultations and proceedings, as considers appropriate, to deliberate on the codes formulated by the licensee.

(3) The Commission may appoint consultants or experts to advise the Commission on the codes formulated by the licensees and generating companies and the cost of consultancies and reports shall be borne by the appropriate licensee.

(4) The Commission may direct such modifications, as it considers appropriate to the codes formulated by the licensees and generating companies.

(5) The licensees and generating companies shall implement codes approved by the Commission consistent with the directions and orders made by the Commission, from time to time.

(6) Without prejudice to the generality of the powers of the Commission in regard to the enforcement of standards of performance in operation of the power system, the codes to be formulated and implemented may include ,-

- (a) grid code;
- (b) distribution code;
- (c) electricity supply code and the conditions of supply;
- (d) consumer related codes including code of practice on payment of bills, code on disconnection for non-payment, standards and quality of service and fines and penalties for failure, consumer rights and consumer complaint handling procedures;
- (e) safety and security codes;

- (f) transmission system planning and security standards;
- (g) distribution system planning and security standards;
- (h) operating standards; and
- (i) codes on utilization of electricity and demand side management.

(7) The licensees and generating companies shall follow the existing standards, codes and conditions of supply till the codes, standards and conditions of supply as per subregulation (6) are formulated and implemented in accordance with this Regulation.

# CHAPTER - IX ARBITRATION OF DISPUTES

**60.** Arbitration.- (1) The arbitration of disputes which under the Act are within the scope of the jurisdiction of the Commission may be commenced on an application accompanied by fees specified in the Schedule made by any of the parties to the dispute.

(2) The Commission shall issue notice to the concerned parties to show cause as to why the disputes between the parties should not be adjudicated and settled through arbitration.

(3) The Commission may, after hearing the parties to whom notices have been issued and if satisfied that no reason or cause has been shown against the arbitration request, pass an order directing that the disputes be referred for adjudication and settlement through arbitration either by the Commission or by a person or persons to be nominated by the Commission.

**61. Nomination of arbitrators.-** (1) If the Commission decides to refer the matter to arbitration by a person or persons other than the Commission the reference shall be -

- (a) to a sole arbitrator if the parties to the dispute agree on the name of the sole arbitrator; and
- (b) if the parties are unable to agree on the name of the arbitrator, to a sole arbitrator to be designated by the Commission or to three persons as the Commission may direct taking into account the nature of the dispute and the value involved and, if the decision is to refer to three arbitrators, one to be nominated by each of the parties to the dispute and the third by the Commission:

Provided that if any of the parties fails to nominate the arbitrator or if any arbitrator, nominated by the parties or the Commission, fails or neglects to act or continue as arbitrator, the Commission shall have the power to nominate any other person in his place.

(2) The Commission shall not nominate a person as arbitrator to whom any of the parties to the arbitration has a reasonable objection on grounds of possible bias or similar such reasons and the Commission considers the apprehension to be justified.

**62.** Procedure for adjudication, settlement and passing of award.- (1) In case the Commission acts as an arbitrator, the procedure to be followed shall be, as far as possible, the same as in the case of hearings before the Commission provided in Chapter-II.

(2) In case the Commission nominates an arbitrator or arbitrators to adjudicate and settle the disputes, such arbitrator or arbitrators may follow such procedure as they may

consider appropriate, consistent with the principles of natural justice and fair opportunity to be given to the parties to arbitration and shall follow specific directions issued by the Commission.

(3) The arbitrator shall, after hearing the parties pass an award giving reasons for the decision on all issues arising for adjudication and forward the award with relevant documents to the Commission within such time as the Commission may direct.

(4) The award made by the Commission or the arbitrators, as the case may be, shall be an award under the Arbitration and Conciliation Act, 1996 (26 of 1996).

**63.** Cost of arbitration and proceedings.- The cost of the arbitration and proceedings before the Commission shall be borne by such parties and in such sums as the Commission may direct.

## **CHAPTER -X**

## APPLICATION OF CERTAIN PROVISIONS OF BHARATIYA NYAYA SANHITA AND BHARATIYA NAGARIK SURAKSHA SANHITA

**64.** Applicability of provisions of Bharatiya Nyaya Sanhita and Bharatiya Nagarik Suraksha Sanhita.- (1) In terms of section 95 of the Act, the proceedings before the Commission shall be deemed to be judicial proceedings and Commission shall be deemed to be a civil court as specified in the said section read with applicable provisions of the Bharatiya Nyaya Sanhita (Act No. 45 of 2023) and Bharatiya Nagarik Suraksha Sanhita (Act No. 46 of 2023).

(2) The extracts of the relevant provisions of the Bharatiya Nyaya Sanhita and Bharatiya Nagarik Suraksha Sanhita are contained in Annexure-I to these regulations.

# CHAPTER – XI

# FEES AND FINES

**65.** Fees.- (1) Every petition, application or grievance made to the Commission shall be made alongwith payment of the appropriate fees specified in the Schedule to these Regulations. However, every application made for the grant of a licence, under section 14 of the Act shall be accompanied by such fee as may be prescribed by the State Government under section 15 of the Act.

(2) Every licensee shall pay the Annual Licence fee as specified in these Regulations.

(3) The fee payable to the Commission as specified under these Regulations shall be paid by means of Bank Draft, RTGS or Pay Order, drawn in favour of the Secretary, Himachal Pradesh Electricity Regulatory Commission, payable at Shimla or by any other electronic mode in the accounts of the Commission in account No. 65114328973, IFSC Code: SBIN0050204, SBI (Chhota Shimla Branch) or any other account of the Commission as may be notified from time to time.

(4) The Commission may, by order, waive the amounts of fees payable provided in these Regulations.

(5) The fees received by the Secretary of the Commission under these Regulations shall be deposited in the bank account of the Commission specified under sub-regulation (3)

of this Regulation and shall be entered in the register specified in Chapter-II of these Regulations for the purpose in Form-CB-4.

(6) Unless there is anything repugnant in the Rules framed by the State Government under sub-section (3) of section 103 of the Act, the Commission shall, whenever it considers necessary, utilise the fees deposited in the bank account under sub-regulation (5) for meeting the expenses of the Commission under the Act.

**66.** Categories of applications/petitions.- The applications/petitions presented before the Commission shall be categorised as follows:-

- (a) applications for grant of licence/grant of exemption from licence;
- (b) applications for determination of tariff;
- (c) petitions for approval of Power Purchase and Procurement Processes;
- (d) applications/petitions for review of Commission's orders;

**67. Fees payable to State Load Despatch Centre.-** The fees payable to the State Load Despatch Centre by the generating companies and the licensees engaged in intra-State transmission of electricity under section 32(3) of the Act shall be as specified by the Commission.

**68.** Fees payable for appeal under section 127 (1) of the Act.- Fees payable in respect of an appeal against the orders of the Assessing Officer under sub-section (1) of section 127 of the Act shall be as specified by the Commission in the Himachal Pradesh Electricity Regulatory Commission (Procedure for Filing Appeal before Appellate Authority) Regulations, 2005.

**69.** Fines, penalties and charges for non-compliance or violation.- (1) Subject to the provisions of the Act, the Commission may initiate a proceeding for imposition of fines, penalties and/or charges in the event of non-compliance of orders or directions given under the Act as provided in section 142 of the Act for any contravention of any directions issued by the Commission under the Act or Rules or Regulations made thereunder.

(2) The provisions of Chapter II, applicable to the proceedings, shall apply mutatis mutandis to a proceeding for imposition of fines, penalties and/or charges.

(3) While determining the quantum or extent of the fines, penalties and/or charges to be imposed, the Commission shall consider, amongst other relevant things, the following:-

- (a) the nature and extent of non-compliance or violation;
- (b) the amount of wrongful gain or unfair advantage derived or contra loss or disadvantage caused to any person(s), including the Commission, as a result of the non-compliance or violation;
- (c) the amount of loss or degree of harassment caused to any person(s), including the Commission, or harmful effect on the efficient, economical and competitive performance of the electricity industry as a result of the non-compliance or violation;

- (d) the nature and extent of harm or impairment caused to the objects and purposes of the Act as a result of non-compliance or violation;
- (e) motive for non-compliance or violation; and
- (f) the repetitive nature of the non-compliance or violation.

(4) The fines/ penalties or charges imposed by the Commission shall be paid, unless otherwise specified by the Commission, within thirty days of the date of the order of the Commission imposing the fines or charges.

(5) The fines/ penalties and charges shall be payable and deposited in the same manner as specified in Regulation 65.

(6) If the fines/penalties or charges imposed by the Commission are not paid within thirty days as per sub-regulation (4), the same shall be recoverable as arrears of land revenue.

#### CHAPTER-XII

## MISCELLANEOUS

**70. Review of the decision, directions and order.-** (1) Any person aggrieved by a direction, decision or order of the Commission, from which -

- (a) no appeal has been preferred; or
- (b) from which no appeal is allowed,

may, upon the discovery of new and important matter of evidence which, after the exercise of due diligence, was not within his knowledge or could not be produced by him at the time when the direction, decision or order was passed or on account of some mistake or error apparent on the face of the record, or for any other sufficient reasons, desires to obtain a review of the direction, decision or order made against him may apply, within thirty days from the date of receipt of copy of such direction, decision or order, for a review of such direction, decision or order, as the case may be, to the Commission.

(2) An application for such review shall be filed in the same manner as a petition under these Regulations.

(3) When it appears to the Commission that there is no sufficient ground for review, the Commission shall reject such review application.

(4) When the Commission is of the opinion that the review application should be granted, it shall grant the same provided that no such application will be granted without previous notice to the opposite side or party to enable him to appear and to be heard in support of the decision or order, the review of which is applied for.

**71.** Continuance of proceedings after death etc.- (1) Where in any proceedings, any of the parties to the proceedings dies or is adjudicated as an insolvent or in the case of a company under liquidation/winding up, the proceedings shall continue with the successor-in-interest of the party concerned.

(2) The Commission may, for reasons to be recorded, treat the proceedings as abated in case the Commission so directs and dispense with the need to bring the successors-ininterest to come on record. (3) In case any person intends to bring on record the successors-in-interest, the application for the purpose shall be filed within ninty days from the event requiring the successors-in-interest to come on record:

Provided that the Commission may, if it is satisfied that there is sufficient cause for not filing the application within the time allowed, condone the delay subject to such terms and conditions, as the Commission may consider appropriate.

(4) If the person fails to bring on record the successors-in-interest within the time specified under sub-regulation (3) and in the event the application for condoning the delay in bringing on record the successor-in-interest is not condoned under the proviso to sub-regulation (3), the proceedings against the deceased person shall abate.

**72. Proceedings to be open to public.-** The proceedings before the Commission shall be open to the public subject of availability of sitting accomodation:

Provided that the Commission may, if it thinks fit, and for reasons to be recorded in writing, order at any stage of the proceedings of any particular case that the public generally or any particular person or group of persons shall not have access to or be or remain in, the court-room, building or premises used by the Commission for the purpose of conduct of the proceedings.

**73.** Confidentiality.- The Commission may, by order, direct that any information, documents and other papers and materials produced before it or any of its officers, consultants, representatives or otherwise which may otherwise come into their possession or custody, shall be confidential or privileged and shall not be available for inspection or supply of copies, and the Commission may also direct that such document, papers or materials shall not be used in any manner except as specifically authorized by the Commission.

**74. Issue of orders and practice directions.-** Subject to the provisions of the Act and these Regulations, the Commission may, from time to time, issue orders and practice directions in regard to the implementation of the Regulations and procedure to be followed in various matters which the Commission has been empowered by these Regulations to lay down.

**75.** Saving of inherent powers of the Commission.- (1) Nothing in these regulations shall be deemed to limit or otherwise affect the inherent powers of the Commission to make such orders as may be necessary for meeting the ends of justice or to prevent the abuse of the process of the Commission.

(2) Nothing in these Regulations shall bar the Commission from adopting a procedure, which is at variance with any of the provisions of these Regulations, if the Commission, in view of the special circumstances of a matter or class of matters and for reasons to be recorded in writing, deems it necessary or expedient.

(3) Nothing in these Regulations shall, expressly or impliedly, bar the Commission to deal with any matter or exercise any power under the Act for which no Regulations have been framed, and the Commission may deal with such matters, powers and functions in a manner it thinks fit.

**76. General power to amend.-** The Commission may, at any time, amend any defect or error in any proceeding before it.

77. Power to remove difficulties.- If any difficulty arises in giving effect to any of the provisions of these Regulations, the Commission may, by general or special order, do

anything not being inconsistent with the provisions of the Act, which appears to it to be necessary or expedient for the purpose of removing the difficulties.

**78.** Power to dispense with the requirement of the Regulations.- The Commission shall have the power, for reasons to be recorded in writing and with notice to the affected parties, dispense with the requirements of any of the regulations in a specific case or cases subject to such terms and conditions as may be specified.

**79. Extension or abridgement of time allowed.-** Subject to the provisions of the Act, the time allowed by these Regulations or by order of the Commission for doing any act may be extended (whether it has already expired or not) or abridged for sufficient reason by order of the Commission.

**80. Effect of non-compliance.-** The failure to comply with any requirement of these Regulations shall not invalidate any proceeding merely by reasons of such failure unless the Commission is of the view that such failure has resulted in miscarriage of justice.

**81.** Costs.- (1) Subject to such conditions and limitations as may be directed by the Commission, the cost of all proceedings shall be awarded at the discretion of the Commission and the Commission shall have full power to determine by whom or out of what funds and to what extent such costs are to be paid and give all necessary directions for the aforesaid purposes.

(2) The costs shall be paid within thirty days from the date of the order or within such time as the Commission may, by order, direct. The order of the Commission awarding costs shall be executed in the same manner as the decree/order of a Civil Court.

**82. Enforcement of orders passed by the Commission.-** The Secretary shall ensure enforcement and compliance of the orders passed by the Commission, by the persons concerned in accordance with the provisions of the Act and Regulations and if necessary, may seek the orders of the Commission for directions. Failure to do so shall render him liable to proceedings as for non-compliance or violation of directions and orders of the Commission.

**83. Repeal and savings.-** (1) The Himachal Pradesh Electricity Regulatory Commission (Conduct of Business) Regulations, 2005, are hereby repealed.

(2) Notwithstanding such repeal anything done or any action taken or purported to have been done or taken including any order or notice or notification made or issued or any instrument executed or direction given under the regulations so repealed shall be valid and shall be deemed to have been done or taken under the corresponding provisions of these Regulations.

(3) The Regulations so repealed under sub-regulation (1) shall not affect any proceedings including that relating to any petition, revision, review instituted under the repealed Regulations and such proceedings shall be continued under the said repealed Regulations as if these Regulations had not come into force and the said Regulations, had not been repealed.

## Applicability of provisions of the Bharatiya Nyaya Sanhita and Bharatiya Nagarik Suraksha Sanhita

### (i) Section 229, (of the Bharatiya Nyaya Sanhita):-

**229. Punishment for false evidence.-** (1) Whoever intentionally gives false evidence in any stage of a judicial proceeding, or fabricates false evidence for the purpose of being used in any stage of a judicial proceeding, shall be punished with imprisonment of either description for a term which may extend to seven years, and shall also be liable to fine which may extend to ten thousand rupees.

(2) Whoever intentionally gives or fabricates false evidence in any case other than that referred to in sub-section (1), shall be punished with imprisonment of either description for a term which may extend to three years, and shall also be liable to fine which may extend to five thousand rupees.

*Explanation 1.*—A trial before a Court-martial is a judicial proceeding.

*Explanation 2.*—An investigation directed by law preliminary to a proceeding before a Court, is a stage of a judicial proceeding, though that investigation may not take place before a Court.

### Illustration.

A, in an enquiry before a Magistrate for the purpose of ascertaining whether Z ought to be committed for trial, makes on oath a statement which he knows to be false. As this enquiry is a stage of a judicial proceeding, A has given false evidence.

*Explanation 3.*—An investigation directed by a Court according to law, and conducted under the authority of a Court, is a stage of a judicial proceeding, though that investigation may not take place before a Court.

### Illustration.

A, in an enquiry before an officer deputed by a Court to ascertain on the spot the boundaries of land, makes on oath a statement which he knows to be false. As this enquiry is a stage of a judicial proceeding, A has given false evidence.

.Corresponding Old Law-Sec. 193 of IPC, 1860

## (ii) Section 257 (of the Bharatiya Nyaya Sanhita)

257. Public servant in judicial proceeding corruptly making report, etc., contrary to law.- Whoever, being a public servant, corruptly or maliciously makes or pronounces in any stage of a judicial proceeding, any report, order, verdict, or decision which he knows to be contrary to law, shall be punished with imprisonment of either description for a term which may extend to seven years, or with fine, or with both.

## (iii) Section 267 (of the Bharatiya Nyaya Sanhita)

**267.** Intentional insult or interruption to public servant sitting in judicial proceeding.- Whoever, intentionally offers any insult, or causes any interruption to any public servant, while such public servant is sitting in any stage of a judicial proceeding, shall be punished with simple imprisonment for a term which may extend to six months, or with fine which may extend to five thousand rupees, or with both.

.Corresponding Old Law-Sec. 228 of IPC, 1860

## (iv) Section 384 (of the Bharatiya Nagarik Suraksha Sanhita)

**384.** Procedure in certain cases of contempt.—(1) When any such offence as is described in section 210, section 213, section 214, section 215 or section 267 of the Bharatiya Nyaya Sanhita, 2023 is committed in the view or presence of any Civil, Criminal, or Revenue Court, the Court may cause the offender to be detained in custody, and may, at any time before the rising of the Court on the same day, take cognizance of the offence and, after giving the offender a reasonable opportunity of showing cause why he should not be punished under this section, sentence the offender to fine not exceeding one thousand rupees, and, in default of payment of fine, to simple imprisonment for a term which may extend to one month, unless such fine be sooner paid.

(2) In every such case the Court shall record the fact constituting the offence, with the statement (if any) made by the offender, as well as the finding and sentence.

(3) If the offence is under section 267 of the Bharatiya Nyaya Sanhita, 2023, the record shall show the nature and stage of the judicial proceeding in which the Court interrupted or insulted was sitting, and the nature of the interruption or insult.

.Corresponding Old Law- Sec. 345 of CrPC, 1973

### (v) Section 385 (of the Bharatiya Nagarik Suraksha Sanhita)

**385.** Procedure where Court considers that case should not be dealt with under section **384.**—(1) If the Court in any case considers that a person accused of any of the offences referred to in section **384** and committed in its view or presence should be imprisoned otherwise than in default of payment of fine, or that a fine exceeding two hundred rupees should be imposed upon him, or such Court is for any other reason of opinion that the case should not be disposed of under section **384**, such Court, after recording the facts constituting the offence and the statement of the accused as hereinbefore provided, may forward the case to a Magistrate having jurisdiction to try the same, and may require security to be given for the appearance of such person before such Magistrate, or if sufficient security is not given, shall forward such person in custody to such Magistrate.

(2) The Magistrate to whom any case is forwarded under this section shall proceed to deal with, as far as may be, as if it were instituted on a police report.

.Corresponding Old Law- Sec. 346 of CrPC, 1973
