

The HPSEBL through its Chief Engineer (Comm.)

Suo-Motu Pet. No. 1 of 2023

29.11.2023

Present: Sh. Kamlesh Saklani, Authorised Representative with
Sh. Anup Ram, Chief Engineer (Comm.), HPSEBL.

DAILY ORDER

Affidavit filed by the HPSEBL.

A perusal of the affidavit shows that the auto compensation against the new connection would be made available online from December, 2023 and that the smart metering tender is under finalization and that auto compensation may be allowed to be implemented after award of the smart metering tender under RDSS.

Already several opportunities have been provided to the HPSEBL. However, it is highly strange that even the smart metering tender has not been awarded till date.

We therefore, direct the HPSEBL to submit the compliance by 26.12.2023 failing which the Whole Time Directors (WTDs) of the HPSEBL shall explain the reasons for the delay before the Commission on 27.12.2023.

List this case on 27.12.2023 at 11:00 AM.
